FRUIT AND VEGETABLES

Fruit

I like fast all fruit very much. I like apples, pears, melons, bananas, grapes, cherries and strawberries. I don't like peaches and tangerines.

Vegetables

I don't like all vegetables. I like cucumbers, lettuce, tomatoes, potatoes, peppers, peas and carrot.

I don't like beans, cauliflower, broccoli, radish, onion and kohlrabi.

Fruit and vegetables are very good for us because they have many vitamins.

VEGETABLES

The favourite vegetable is carrot.

Brook is terrible cauliflower.

Some in garden have tomato and cucumber.

Vegetables in lot of healthy and good.

Food, Fruits, vegetables

My day begins with breakfast.

I like roll with butter and ham and also tea. Sometimes I take cereals in milk.

When I go to school I have a snack in a box from the home. I have a roll or a toast with ham, plus vegetables or fruit.

I like pepper, cucumber, apple and grape.

My mom always gives me some sweet. For lunch I would like to have a schnitzel with fries every day. I like to drink coke or juice. After school I have yogurt.

and biscuit at home. I have a roll
with salami with vegetables for
dinner.
